Discovery Gap Cover is only available to members of Discovery Health Medical Scheme (referred to as 'the Scheme' throughout this document), excluding Discovery Health Medical Scheme KeyCare plans. The policy for which you are applying is not a medical scheme and the cover is not the same as that of a medical scheme. This policy is not a substitute for medical scheme membership. This application form also contains some of the terms and conditions for the policy. Please ensure that you have read and understood this application form. Details of your cover are set out in the policy guide and policy schedule which together with this application, form the basis of your policy contract.

- 10.11.2. Any claim payments made to you in excess of the indemnity must be repaid back to us. This may happen automatically through our systems, or we may request a manual payment into our bank account.
- 10.11.3. In the event that a claim is reprocessed by the Scheme after the said claim was previously paid in terms of your Discovery Gap Cover policy contract, and the reprocessing results in the claim being paid in full by the Scheme, we may request the repayment of such claim or we may offset such claim against any future claims.
- 10.11.4. Policy benefits will become due as specified in your policy guide, in instances where the Scheme has approved such healthcare services for funding but shortfalls in Scheme cover still arise.

10.12. Policy administration

- 10.12.1. You know and understand that the premiums in respect of the Discovery Gap Cover policy will be re-rated annually by us effective 1 January every year. The re-rating of premiums is based on the claims experience of the group. We further reserve the right to adjust premiums partway through the year if the terms or conditions of the policy were to change, if the oldest member on the Scheme plan joins or leaves the Scheme, if there are changes to your Scheme plan, or if your employment is terminated with an employer through whom you received preferential premium rates.
- 10.12.2. It is a condition of the policy that all members/dependants recorded on your Scheme are also recorded on this policy. Therefore, if a new dependant is added to your Scheme, that new dependant will automatically be added to this policy and you will be notified to submit information such that we may underwrite the new dependant. Until we have received all underwriting documents and requirements in respect of that new dependant, that dependant will be underwritten as if they were a high-risk applicant. This means that we will apply all waiting periods to this dependant and this dependant will therefore received limited benefits until that dependant's medical information is received. We will not backdate cover in instances where the information is not received timeously.
- 10.12.3. We may obtain information about yourself, your dependants, and in some cases, your employees on the Scheme, from anyone, which could be any doctor or medical practitioner you have consulted with. You also authorise and instruct the person, with the information to give the information to us. We may share your health information with you financial adviser during any underwriting process. The consent given to obtain and share your health information continues after your death.
- 10.12.4. You can change from the Discovery Gap Comprehensive option to the Discovery Gap Core or the Discovery Gap Active option at anytime, with 30 day's written notice. The change will become effective from the first day of the following month after the 30 day notice period.

- 10.12.6. Discovery Gap Cover: The maximum commission payable is up to 20% of the monthly Gap Cover premium value, for as long as the policy is active.

10.13. Submission of a claim

- 10.13.1. In the event a claim is made by you or a life assured under your Scheme plan and such claim satisfies the criteria to make a claim under this Discovery Gap Cover policy, we will automatically make a claim against this policy on your behalf. In this regard, you give us authority to make and administer such a claim on your and any other lives assured's behalf. You therefore do not need to submit the claim to Discovery Gap Cover yourself and we will not accept any claims that have not first been accepted and processed by the Scheme.
- 10.13.2. The proceeds of any benefits admitted by us under this policy will be paid directly to you.

10.14. Exclusions, waiting periods and benefit limits

- 10.14.1. Any and all exclusions, rejections, plan and benefit rules, limits and restrictions imposed by the Scheme shall automatically apply to this policy too. You confirm that you are aware of and understand the benefit limits and exclusions imposed by the Scheme. This means that there will never be an instance where a claim under this policy will be considered if a simultaneous claim has not been considered by the Scheme.
- 10.14.2. The following claims do not qualify to be paid from Discovery Gap Cover (including but not limited to):
 - 10.14.2.1. Any claim not first processed by the Scheme;
